About the German foreign fair program

German companies exhibiting at trade fairs abroad safeguard and strengthen the export of German goods and services. That is why the Federal Republic of Germany primarily supports small and medium-sized enterprises (SMEs) with their Foreign Trade Fair Program (AMP).

The keyword here is „German Pavilion“, the joint booth of the federal government under its umbrella brand „made in Germany“.

Advantages of the German Pavilion:

- Perfect opportunity to work on the ASEAN market on manageable costs
- All-inclusive package from Euroexpo and Messe Stuttgart
- High quality stand construction is included in the price
- Use of the infrastructure of the German Pavilion (lounge area, meeting corner, catering, hostess / interpreter)
- Website and exhibitor flyer German Pavilion
- Support for travel arrangements and the transport of the fair goods

Included services at participation in the German Pavilion:

Floor space (from 9 m²) including high quality Stand construction and standard furniture:

- rear and partition walls
- fascia lettering
- 1 table, 4 chairs, 1 information counter, 1 sideboard, 1 wastebasket
- carpet
- general stand lighting,
- 1 socket 2 KW
- stand cleaning

Prerequisite for your participation

Entitled to participate in company group presentations are companies from the Federal Republic of Germany as well as their foreign branches and representations. Basically, companies from all industries can participate. The admission to the joint stand of „LogiMAT | Intelligent Warehouse“ 2020 is based on the General Exhibitor Conditions and on the fair nomenclature.
