All materials and facilities shall be at the disposal of the exhibitor, on a rental basis, only for the duration of the event, and may in no way be damaged or modified. Damaged or modified components and devices shall be repaired or replaced at the expense of the exhibitor.

Provision of stand space in the hall with the stand design bearing "made in Germany". Exhibitors are not allowed to obscure elements of the stand design for the complete duration of the exhibition. Ceiling suspensions are not permitted.

- Uniform stand lettering
- Back and dividing walls
- Uniform floor covering on the stand
- General stand lighting
- Electricity: Supply voltage: 220V none socket (max. capacity 2 kW; without distribution/switching panel)

Please note: Costs for additional electricity supply to the stand (for both light and power current) from the nearest distribution point will be charged to the exhibitor and will be invoiced based on the kW registered by the exhibitor. Additional light and power current usage must be paid by the exhibitor.

Description for exhibition space without stand construction:

Provision of stand space in the hall for single storey stand constructions, including elements of stand design bearing "made in Germany" designated for stand areas in the hall, supplied by the implementation company. The elements of stand design must be affixed in a clearly visible position.

An exhibitors own stand construction is subject to the construction guidelines of the trade fair organiser and the Federal Government and must be approved. The exhibitor is obliged to submit his stand construction concept for inspection to the implementation company immediately after the closing date for registrations has passed.

- Electricity: Supply voltage: 220V, one socket (max. capacity 2 kW; without distribution/switching panel)

Please note: Costs for additional electricity supply to the stand (for both light and power current) from the nearest distribution point will be charged to the exhibitor and will be invoiced based on the kW registered by the exhibitor. Additional light and power current usage must be paid by the exhibitor.
